

Paper Bag Puppet, Dragon

Figure A

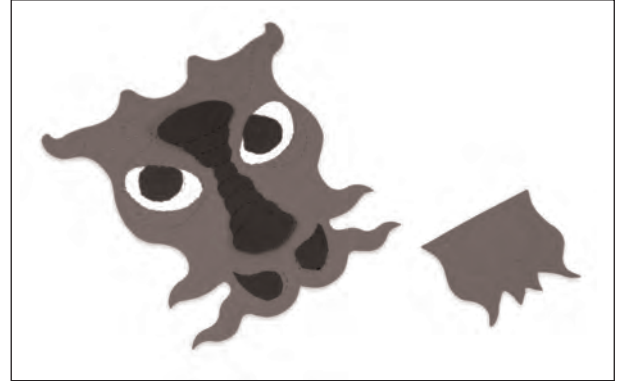

Figure B

Figure C

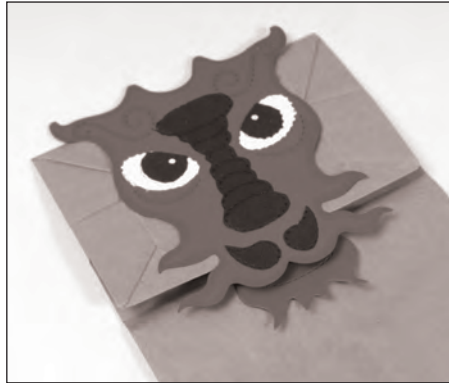

Figure D

Figure E

The teacher will die-cut the materials for student use prior to the lesson.

1. Die-cut Dragon face and mouth from desired materials and colors (Figure A).
2. Use perforations as a guide to cut layers from different colors for embellishment. (Figure B).
3. Adhere the mouth piece just under the bottom fold of the bag (Figure C).
4. Align the Dragon face with the mouth and adhere to the bottom of the bag (Figure D).
5. Decorate as desired (Figure E).
